**PETITION UNDER RULE 182**

The undersigned received a Notice of Abandonment mailed April 5, 2007. Applicant requests that the Notice of Abandonment be withdrawn in view of the following.

In response to the March 10, 2006 Office Action, a response was filed mailed August 10, 2006. That response was, however, incomplete, as indicated in the Office Action dated October 17, 2006. The undersigned called the Examiner to determine why the supplemental response was not considered responsive, and understands that the drawings forwarded with the response mailed November 15, 2006 were not received. Enclosed please find a postcard receipt which indicates that the one page response to the Office Action and three sheets of replacement drawings were forwarded on November 15, 2006. A copy of that response and drawings are enclosed herewith. The undersigned understands that the drawings are not in the file, but submits that Applicant did send drawings in, as indicated on the postcard receipt, and accordingly the Petition should be granted and the application returned to active status.

The fee for this petition of \$400.00 is enclosed. Any insufficiency may be charged to Deposit Account 02-4345. Applicant requests a refund of the Petition Fee in view of the circumstances of the abandonment.

Respectfully submitted,

Loren G. Helmreich
